

Treloweth News

A Special Visitor!

We were so lucky to have Pudsey visit us at Treloweth today for Children in Need, thank you for your donations to this wonderful charity, and do keep a look out for us on tonight's TV broadcast!

Winter Wonderland

Thank you for your donations towards our Winter Wonderland event which is being held on Tuesday 21st November, from 3:15pm in the main school hall. **Please can all EYFS children bring their cakes in on Monday 20th November.**

Father Christmas will be in the building all day and for a cost of £2.50, children can spend time with him and will receive a small present.

We look forward to seeing you all at this great event. Thank you in advance for your support.

IMPORTANT! School Access

The building contractors anticipate the installation of the new buildings on site over the weekend. This will mean restricted access to some areas of the school – namely for class 5S. For the next week, we ask that all children in 5S enter the school through the same entrance as 5P – next to the Key Stage 2 water fountain. This will be well signposted – and there will be an adult on the door ready to collect the children.

Please note: nobody will be able to do a complete circuit of the school – there will be a fence outside the usual 5S entrance, blocking access between playgrounds. We apologise in advance for the inconvenience, but look forward to seeing the new buildings in place soon!

E-safety Magazine

Fantastic News! We have been very lucky to secure the latest copy of the Vodafone Parent Magazine free of charge for every family in the school. Please take the time to read it as it is full of useful and interesting articles and information around e-safety. If after reading the magazine, you feel that you need some more information, please come and speak to Mr McCarthy, Mrs Walpole or Mrs Stoddern.

Health and Safety Reminder

This half term, we will be carrying out an off-site evacuation to Treloweth Village Hall. This will, of course, be managed carefully on a day which is dry. So that this comes as no surprise to you, we will send a courtesy text message on the morning of the evacuation. We are not asking any parents and carers to join us for this evacuation, but we do ask that you ensure we have your correct mobile number. Risk assessments are in place and the Village Hall custodians are looking forward to welcoming us. We will be returning to school promptly. We anticipate that the Village Hall is a 10-minute walk from school. Children will be fully supervised.
