## Happy New Year!

We would like to wish you all a very happy New Year and look forward to continuing our work with you to support your child at Treloweth Primary School. Staff have been working hard to ensure the curriculum for the coming term is exciting, challenging, and one that engages the children to achieve their very best!

## Carn Brea Leisure Centre Needs Our Help! (Friday 12<sup>th</sup> January)

As many of you will know, Carn Brea Leisure Centre has recently been refurbished and Treloweth pupils will benefit from this upgrade, especially the swimming facilities. However, with many massive projects such as this refurbishment, there has been a funding issue, and we think you can help! We are holding a 'Bun Bake' **on Friday 12<sup>th</sup> January** to help raise funds to support this community Leisure Centre. We politely ask that children bring in buns and cakes (home-made or shop-bought) on Friday 12<sup>th</sup> and these will be sold after school on the day. Thank you for your support of this worthy cause.

## 'Reading Week' – Wear Pyjamas on Friday 12<sup>th</sup> January!

Next week is 'Reading Week' at Treloweth! The week is going to be filled with exciting learning focused around different books by various authors. We know from last year that the children loved this week, and we are sure they will be super-enthused for this event! We are all going to be wearing our pyjamas on Friday 12<sup>th</sup> January and encourage all children to do the same.

## Health and Safety Reminder

This half term, we will be carrying out an off-site evacuation to Treloweth Village Hall. This will, of course, be managed carefully on a day which is dry. We will send a courtesy text message on the morning of the evacuation. We are not asking any parents and carers to join us for this evacuation, but we do ask that you ensure we have your correct mobile number. Risk assessments are in place and the Village Hall custodians are looking forward to welcoming us. We will be returning to school promptly. We anticipate that the Village Hall is a 10-minute walk from school. Children will be fully supervised.

## Attendance

On the direction of our Education Welfare Officer, we have been required to send parents and carers information on their child's attendance. In line with national guidelines, we must highlight any children whose attendance has fallen below 95%. In addition, and under the new attendance policy, if a child's attendance falls below 93%, there is a possibility that medical evidence (e.g. an appointment card) will be sought before any authorisation can be given.

## Nasio Trust Donation

Thank you to those who donated dresses to the Nasio Trust. In total, 33 dresses and 10 other items of summer uniform were donated.

Thank you for your support.

### **Traffic Issues**

We have had a number of complaints from parents about traffic congestion in the school car park. We are aware that the winter months and the poorer weather generates more traffic and ask that you bear this in mind when picking up and dropping off children on the school premises.

We have also been made aware that a small number of drivers have been driving in excess of the 5mph speed limit which is in place for traffic on the school premises. The safety of the children is of paramount importance, so we ask that all drivers adhere to the speed limit.

### **NSPCC Number Day – Friday 2<sup>nd</sup> February**

Each year, we support the NSPCC on their 'Number Day', where we ask that children dress up as a number – wearing a onesie; 118 118 characters, it really is up to the children – and we are again going to be supporting this event on Friday 2<sup>nd</sup> February. We look forward to seeing the children in their creative costumes, but please do not go out of your way to purchase costumes at a cost.
