Mr Wright – Additional Adult in 1IU

Dear Parents and Carers,

I am very pleased to welcome Mr Wright into 1IU, starting tomorrow (Friday 1st November).

Mr Wright is embarking on his teaching career following the SCITT Programme, and we are fortunate that his placement will be with our Year 1 class. His placement will run until Christmas.

As part of his training, Mr Wright will be working with groups and the whole class. He will be fully supported by Mrs Ishmael and Mrs Uren, who are both experienced teachers and have worked with many trainee teachers in the past, sharing their own good practice, knowledge and skills.

I am sure you will welcome Mr Wright into 1IU and get to know him over the next half term. If you see him, do make sure you say 'Hello!'

If there are any queries, please speak to your child's class teacher in the first instance.

Yours sincerely,
Mr Callaway
Acting Headteacher
