

## Diary Dates 2019-2020

### What A Start!

The new academic year has started brilliantly and the children are already settled into their new classes with their new teachers and teaching assistants. This is great to see!

We would also like to give a special welcome to the children new to EYFS. Mrs Thompson and Mrs Salamone are delighted with how well they have settled in. Welcome to our school!

### Ofsted Visit

As you are aware, the school was visited by Ofsted last week. Thank you to all of those who made themselves available to the Inspector on the days. We have not yet received the final report but will let you know the outcome as soon as we receive it!

### We Need Your Help!

The beginning and end of the school day is a busy time for parents, carers, children and staff. Unfortunately, our small front office and entrance is becoming overcrowded at these times.

Your child must **enter through their classroom door** at 8:50am and **leave from their classroom door** at the end of the day. Any children attending Breakfast Club or Wake and Shake should still enter school through the main entrance. Any child arriving late to school (after 9am) will need to enter through the main entrance and sign in.

### The Festival of Lights

We are currently in the planning stage for the upcoming Festival of Lights and we cannot wait to see what Mrs Richards and Mrs Cottle have in mind as Treloweth's entry into the parade!

We would be grateful for any 750ml water bottles – we need approximately 30 altogether.

Thank you in advance.

### Harvest Festival

Year 1 are celebrating Harvest this year as their project is all about 'Food and Farming'. They will be performing a Harvest assembly to their parents and carers on Wednesday 9<sup>th</sup> October at 9am, and then later to the whole school.

We would like to collect any tins (fruit, vegetables etc.) which we will donate to the local foodbank. If you are able to offer a donation, please bring your tins to Mrs Croucher in the school office or directly to Mr Lawrence in his classroom. Thank you in advance.

### Individual Photographs

We are aware that some children did not have their photograph taken last week. The photographer will again be in school on Thursday 26<sup>th</sup> September.

### Newsletters

We have sent a link to this newsletter via School Gateway (please check app or text). Do inform your child's teacher if you need a paper copy: we intend to reduce printing costs by sending a link for newsletters.

### Car Parking

All drivers must be considerate in how they park if they are collecting children by car. Recently, some cars have been parked on pavements, blocking paths, restricting access for prams and pushchairs and being a hazard for children and parents walking home.

Remember also that the bus stop is not a parking space.

### Illness and Absence

Please be aware that the school needs to be informed of any absences your child may have on the first morning of their absence on 01209 216192. We will need to know why your child is absent in order to fulfil the requirements of the Educational Welfare Officer. Please be specific with why your child will not be in school: 'Not well' is not a suitable reason. Thank you very much.

### Year 1 Courtyard and Outdoor Classroom

Year 1 staff, children and their parents and carers hope to develop the space outside their shared area into a stimulating and exciting outdoor classroom.

We are very grateful to everyone who has provided us with resources. So far, we have been given: a handmade mud kitchen; small world tables made from cable reels; natural chairs; bird feeders and bird boxes, as well as plants.

We still need compost and more plants to add colour and foliage to the area. If you are able to contribute, then we will be very happy to receive your donations.

We have several community events planned that will take place in this transformed area. Thank you – Year 1

### Attendance – Tokyo 2020

We have introduced a new attendance challenge in every classroom. If every pupil in your child's class is in school and on time, the class will be awarded a star on our Tokyo 2020 poster. After 10 stars are collected, the class will choose a reward. Do ask your child how their class is getting on, and encourage them to be in class on time!

### Diamonds of the Week

Well done to the first group of children who have shone in the first week back!

### Year 5 Join Hogwarts!

This week, Year 5 experienced life at Hogwarts School of Witchcraft and Wizardry when they took part in their Harry Potter Wow Day to launch their topic, 'Magic and Mystery'. After being sorted into their houses: Gryffindor, Hufflepuff, Ravenclaw and Slytherin, the children spent the morning making quills and practising their calligraphy skills; playing an exciting game of Quidditch outside on broomsticks, and making lava lamps that really bubbled and fizzed! In the afternoon they were lucky enough to have a hands-on workshop from Talons Owltime Encounters, who showed them some weird and wonderful creatures, including snakes; tarantulas; skinny pigs; feigning death beetles; a monitor lizard and a beautiful barn owl! Year 5 staff were so impressed with the children, who faced their fears with the various animals and went home feeling very proud of themselves, but not as proud as the staff were of them! A brilliant day was had by all – great job, Year 5!

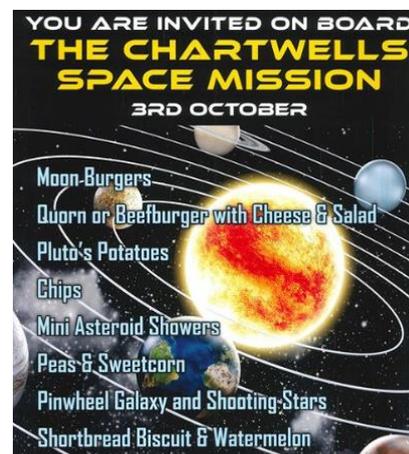

### Aldi's 'Kit for Schools' – Please Collect

We are collecting Aldi's 'Kit for Schools' stickers. Please hand any stickers to your child's class teacher. Thank you.
