It's Ok not to be Ok!

As mentioned in previous newsletters, the school is working hard to promote the mental health and wellbeing of the children and staff. This is achieved in many ways across the school through discussions in lessons, specific PSHE lessons, School Council meetings, staff meetings and assemblies. Last week, I held an assembly around the campaign It's Ok not to be Ok! It promoted the 5 ways to connect, what the children could do to improve their mental health and wellbeing and who they could talk to if they needed to.

We are still planning lots more to promote the mental health of our children and staff. If you have any ideas or suggestions please don't hesitate to contact me.

Treloweth School PTA

Can you help?

Our PTA are looking for donations for the summer raffle. Do you know a hairdresser that might provide a voucher, or a restaurant that might donate a meal for two? Perhaps you work for a tourist destination or play park that might contribute a family ticket or a supermarket that might donate a box of chocolates. No donation is too small and all profits go straight into providing special events and equipment for our school.
