

Treloweth News

Well Done!

We would like to wish all of the children in Years 2 and 6 a huge 'Well done!' for completing the recent end-of-key stage tests (SATs). The children all approached the SATs brilliantly; showed resilience and determination to do well and we look forward to finding out the results in July. Well done also to all staff who supported the children during this time.

Thank You!

Thank you to the parents and carers who attended the Healthy Schools Workshop held earlier in the month. We hope the advice given was useful. Thank you to Miss Wood for organising the event, and to the staff who supported on the day.

Sports Day

As a result of the school field still being unavailable due to the building works that took place before Christmas (the field is not drying out following rain earlier in the year!) we have taken the unfortunate step of running sports day for EYFS children and children in Year 6 only this year. We understand that this is disappointing, but wish to give EYFS children experience of sports day and complete Year 6's final sports day before they move into their secondary education. We will run sports day for children in Years 1-5 in September. Fingers-crossed for great weather!

Help!

All members of our highly-trained and dedicated staff are able to support you and your child with any issues or concerns you may have. Please speak to your child's class teacher in the first instance. Should support be needed for issues involving child safety, do not hesitate to contact Mrs Walpole or Mrs Stodden. If there are issues with attendance, or you wish to discuss strategies to support your child's behaviour, please contact Mrs B. Richards.

Year 6 Trip to the National Maritime Museum

On Tuesday, Year 6 enjoyed a visit to the National Maritime Museum in Falmouth for the start of their Titanic topic. They explored the museum; heard from Captain Edward Smith; made rope and learnt about the ill-fated 1912 voyage of Titanic. Thank you to Miss Francis for organising such a great trip – Year 6 are now eager to find out more!

Holiday Requests

As directed by the school's Education Welfare Officer (EWO), we are unable to authorise any holidays in term time. We are aware that many holiday request are being made – **the school cannot authorise such requests.**

DREAM, BELIEVE, ACHIEVE

May Half Term
28th May – 1st June

JUNE

- Friday 8th – International Day (details to follow)
- Friday 15th – Non-School Uniform

JULY

- Tuesday 3rd – Sports Day – EYFS and Year 6 children only.
- Tuesday 17th – Achievement Day
- Monday 23rd – School closed to all pupils
- Tuesday 24th – School closed to all pupils

Summer Holidays!

Head Lice

We are aware of some incidents of head lice within some classes. Although annoying, there is no need to panic – please check your child's hair daily, and treat any cases of head lice promptly, as this will greatly reduce the risk of infestation within classes. For further information, including how to treat head lice, visit <https://www.nhs.uk/conditions/head-lice-and-nits/>. Daily conditioning and combing really helps!

Sun Cream

We are all hoping that summer is on its way, and we are aware that protecting children from the sun is vitally important. We ask that children come to school with sun cream already applied, a hat and a drink. We are aware that some children need to have sun cream re-applied periodically throughout the day, and ask that sun cream is sent to school with your child. Where your child is unable to apply sun cream themselves, we ask that you give us permission to support them.

If you would rather a member of staff do not apply sun cream, please complete the slip below and return this to your child's class teacher.

Medication

Please check all dates on asthma pumps, epi-pens, medicines etc. if your child uses any of these in school. We must have up-to-date medication for your child.

Evacuation

As part of our continuing efforts to keep children safe, we intend to undertake a controlled evacuation to the school car park in the coming weeks. We will inform the children that this is a 'dry run', and will manage the evacuation with thought and care, ensuring that the children are calm and aware this is a 'practise'.

I do not wish for a member of staff to support my child with sun cream application.

Child's name:

Class:

Please return this slip to your child's class teacher no later than Friday 8th June.

Treloweth Primary School, throughout the year, distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not endorse these services.
