'Treloweth Remembers' – Friday 9th November

Dear Parents and Carers,

Next week, the whole school will be undertaking many learning opportunities that will coincide with the commemoration of the end of the First World War in 1918.

During this week, the children will be finding out why we wear poppies, how and why the war began, where it took place, and what life was like for the soldiers and people back at home, amongst other things.

The week will end with a special 'Remembrance' assembly, where the children will share their learning. On this last day, we would like all children to wear 'Red for Remembrance' and bring in some pennies or loose change. We aim to cover a large poppy with coins and then donate our collection to The Royal British Legion, who provide lifelong support for the Armed Forces community.

The children will be creating a special Remembrance Garden outside the school hall, and when this is taken down, they will be planting poppy seeds around the school as our own memory of this occasion.

We would like to thank you in advance for your support.

Yours sincerely,
Mr Lawrence
