- organise paragraphs around a theme
- evaluate and edit our writing

Reading

As readers, we will...

- read the class text 'Charlotte's Web'
- make predictions
- consider authors choice
- interpret, reason and explain.

Science

As scientists, we will...

- learn that animals including humans need food and water to stay alive.
- learn about the importance of healthy, balanced diets and exercise.

Link to Cornwall:

- We will identify features of our locality.
- We will learn about significant people in Cornish history (Tom Bawcock).

Sense of Self

My Identity

PE

As healthy learners we will...

- Develop co-ordination, balance and agility.

Art/ DT

As artists, we will...

- make marks in a variety of ways using different pressure, smudge, scratch, shade and holding position.
- use the pencil to create light and dark effects

Geography

As geographers, we will...

- recall which direction is North, South, East, West
- learn how to use atlases, maps and globes.
- create simple maps
- locate features on a map.

History

As historians, we will...

- Review our understand of timelines
- Create personal timelines (living memory)
- use a timeline to place historical events in chronological order

Mathematics

As mathematicians, we will...

- Represent numbers using 100s, 10s and 1s
- Add and subtract numbers to 1000.

Computing

As users of technology, we will...

learn and understand how to stay safe online.
