

Treloweth News

What an exciting week!

Lots has been happening at Treloweth this week! Read on to find out what we have been getting up to!

The Wizard of Oz

We were really lucky to have M&M Productions perform 'The Wizard of Oz' to the school on Monday – this was fantastic, and enjoyed by the whole school!

Screech Owl Sanctuary – Year 1

Year 1 visited the Screech Owl Sanctuary on Thursday and learnt lots about owls: their natural habitats; their dietary requirements, and even the fact that one of the owls hid in a tree for 6 hours whilst the handler tried to retrieve it! This was a fantastic trip, and we would like to thank the adults for supporting us.

East Pool Park – Bug Hotel – Year 2

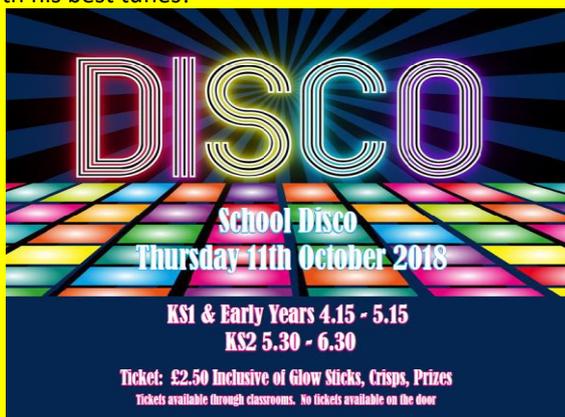

On Thursday, Year 2 visited East Pool Park, where they had great fun setting up a Bug Hotel. The hotel encourages bugs to thrive by giving them a safe place to live. Great work, Year 2!

Parking

Please be advised that the parking outside Happy Days Nursery is for the sole use of parents and carers of children who attend that setting. The parent car park outside our main office is for Treloweth parents to use. Please avoid the staff car park.

The Festival of Light

Mrs Cottle and Mrs Richards kindly ask that you save any empty Fairy Liquid bottles for an exciting project they are going to be involved in over the coming weeks, in preparation for the Redruth Festival of Light. They need thirty in total!

Treloweth Remembers

We will be holding a special celebration in the week beginning Monday 5th November. To commemorate the 100th anniversary of the end of the First World War, all children will be involved in cross-curricular activities based on this event.

Subjects covered will include History, Geography, English, Computing, Art, Music, RE and PSHE. At the end of the week, we hope to have built a special art installation made of poppies. The week will also include a remembrance assembly, a special lunch prepared by Chartwells, and a 'Dress in Red for Remembrance' Day. We will be raising money for the Royal British Legion by covering a giant poppy in pennies – so please start collecting your pennies now.

Well-Being Award For Schools

As you might have read in the national and local news, mental health of young children is high priority for numerous support services, although these support services are harder to access as a result of high demand. As part of the wider work of the Pastoral Team, we have decided to embark on the exciting task of working towards the 'Well-Being Award For Schools'. This is a national accreditation and will help us to ensure that we are providing the best support to children, their families and the school as a whole. Part of the award process is to gather the thoughts and feelings of children, parents/carers and staff. If you would like to support this exciting project and are willing to answer 10 questions, please supply the office with your email address (this will help us reduce the amount of paper we use) so we can send an electronic copy to you, or you can pick a paper copy from the office. All questionnaires will be treated as anonymous and no personal data will be stored by the school.

Medical Information

We collect medical information about children who have conditions that all staff need to be aware of. This information is stored in our staffroom, which staff have access to in the event of an emergency.

Attendance

There is an expectation that all children attend school at least 96% of the school year.

Holiday Requests

As directed by the school's Education Welfare Officer (EWO), we are unable to authorise any holidays in term time. We are aware that many holiday requests are made – **the school cannot authorise such requests.**

Breakfast Club – From 7:30am beginning Monday 8th October (£2:00)
