

Hello Parents/Carers, Children and Staff

I hope this newsletter finds you all well.

As we race towards the end of the school academic year, you will no doubt be wondering what our plans are for the holidays and beyond in September(?) So are we! No definite plans have been made just yet as the government has not given clear guidance to schools. All operational organisation will come directly from me in discussion with our Crofty Multi-Academy Trust of schools. I am working on a number of scenarios to put in place when we know more. Never before have we been asked to operate in this way and adapt our provision in the light of government advice changing so swiftly with the challenges of social distancing, staff shortages, additional safety measures and online learning. There is a survey which will go live on Monday that we ask you to complete for each child about returning to school in September. I really need as many of you as possible to respond so that I can make firmer plans about our September return. I can tell you that all children will move up with their class in September. The new class teacher will make contact very soon on Class Dojo to say 'hello' and get to know the children.

Here are your new teachers!

Free School Meals

Tuesday's announcement by the government that food vouchers for eligible Free School Meals pupils will continue over the summer holidays is welcomed. We do not yet have details about how the vouchers will be issued, but we think it will probably utilise the existing system, or something similar.

The government has said that children with existing Free School Meal entitlements will be eligible for the summer vouchers. There is no need for families who are already eligible to apply again via the Free School Meals team.

If your circumstances have changed and you think you might be eligible, you can apply to the Free School Meals team through the Cornwall Council website and complete the online application form.

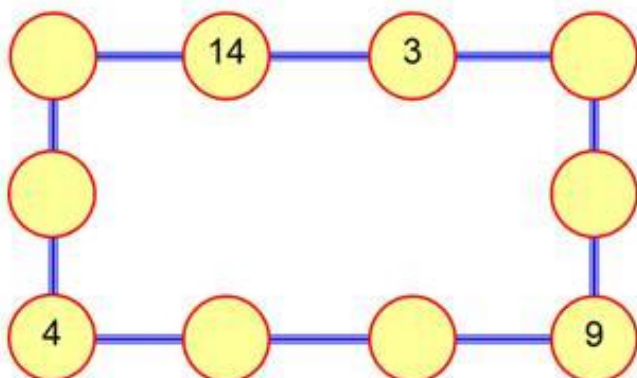

www.cornwall.gov.uk/schoolmeals

For every child, you could receive £15 each week (2 children = £30, 3 children = £45 and so on). It really is worthwhile. By being eligible for Free School Meals your child becomes 'Pupil Premium'. Early signs from the Government suggests that money will be allocated to this group of children for priority catch up in September.

Mrs Roger's maths challenges

Maths puzzle from last week:

Using any whole numbers as many times as you like make each line of the rectangle add up to 20.

Can you find more than one way to do this?

Can you make up your own puzzle like this?

Here is the answer!

Now the key to doing this is to look at the top row. The numbers 3 and 14 add up to 17 which only leaves 3. So the two numbers must be 1 and 2 - try them to see where they fit best.

This week's maths puzzle

change into

Sounds easy - eh!
But there is a snag!
You can only move
three counters!!

Just to note, this term is officially due to end on Tuesday 21st July 2020.
